**BUY AMERICA PROGRAM  
STEEL & MANUFACTURED PRODUCTS – ADDITIONAL CERTIFICATION**

In accordance with Section 165 of the Surface Transportation Act of 1982, PL 97-424, January 6, 1983, as amended, the Eldorado National (Kansas), Inc. agrees that all steel, cement, and manufactured products utilized on this FTA assisted project must be produced in the United States. Exceptions to the above may only be granted upon a Secretarial determination:

1. that their application would be inconsistent with the public interest;
2. that such materials and products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality;
3. in the case of the procurement of bus and other rolling stock (including train control, communication, and traction power equipment) under the Federal Mass Transportation Act of 1964, that (a) the cost of components which are produced in the United States is more than 50 percent of the cost of all components of the vehicle or equipment described in this paragraph, and (b) final assembly of the vehicle or equipment described in this paragraph has taken place in the United States;
4. that inclusion of domestic material will increase the cost of the overall project contract by more than 10 percent in the case of projects for the acquisition of rolling stock, and 25 percent in the case of all other projects.

The Manufacturer hereby certifies that with the exception of items listed above, steel and manufactured products to be incorporated into this project have been produced in the United States.

  
Signed, Eldorado National (Kansas), Inc.
